AP 4232 PASS/NO PASS

Reference:

Title 5 Section 55022

Courses may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a "pass/no pass" basis. Such courses will be identified in the approved course outline of record, the College Catalog, and the Class Schedule.
- Courses in which each student may elect on registration or within the first 30% of the semester or session to take the course on a "pass/no pass" basis. Such courses will be identified in the approved course outline of record, the College Catalog, and the Class Schedule. Instructors' grade rosters will only allow "pass/no pass" grading for students who have requested this option by the appropriate deadline.

A student electing to be evaluated on the "pass/no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. No changes (election to "pass/no pass" or reversal of "pass/no pass") to the evaluation method can be made after 30% of the term or session has passed.

A "pass" grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.

Students are held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.
