

AP 4104 CONTRACT EDUCATION

Reference:

Title 5 Section 55170

The District may contract for instructional classes to be offered at the request of public or private agencies or groups.

These courses shall be provided to such organizations on a contract basis as the need arises.

Contract credit, noncredit, and not-for-credit courses shall be consistent with the goals of the District, and responsive to the educational requirements of the respective public or private agencies or groups requesting them.

These programs are normally closed to the general public and are therefore not eligible for apportionment in accordance with the Education Code.

The Superintendent/President shall assess the need for such services and coordinate all contract credit, noncredit, and not-for-credit courses to prevent unnecessary duplication.
