BP 7330 COMMUNICABLE DISEASE

References:

Education Code Sections 87408, 87408.6, and 88021

All newly hired academic employees, sworn police officers, and Child Development Center employees shall have on file a medical certificate indicating freedom from communicable diseases unfitting the employee to instruct or associate with students, including tuberculosis. No academic employee shall commence service until such medical certificate has been provided to the District.

All newly hired academic or classified employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis, by providing the District with a certificate from the employee's examining physician showing that the employee was examined and found to be free from active tuberculosis.

All employees shall be required to undergo an examination within four years of employment and every four years thereafter, to determine if they are free from tuberculosis.
